

SUGAR BEACH

A VICEROY RESORT • ST. LUCIA

Sugar Beach, A Viceroy Resort is celebrating summer with its Caribbean Escapes promotion.

Don't pick just any Caribbean beach. Stay with us this summer at Sugar Beach, A Viceroy Resort for five nights or more and we'll show you why sugar beats sand. Book a stay from April - December 25, 2018 and we'll sweeten the deal with up to 20% off all room types under our Luxury Villas, The Residences and Luxury Beachfront Bungalows, plus complimentary daily breakfast for two adults.

To make this a family vacation to remember, take to the high seas in style and explore the stunning western coastline of St Lucia aboard the resort's beautiful Hans Christian-designed 42ft wooden sloop, Manatee.

Set your own personal itinerary with our captain and crew—drop anchor in private bays and snorkel in secluded coves, or head north to the historic Pigeon Island National Landmark and explore the military ruins. Take the helm and learn the basics of sailing from our experienced team.

A picnic lunch can be organized for dining onboard (additional charge) or we can recommend great restaurants for lunch along the way. (Full day sail from 10am to 3pm for up eight persons, US\$800 excluding 20% tax and service charge.)

Or why not opt for a sunset sail with delicious canapes and Champagne. You can sit back and relax while the final rays of the sun paint the sky. (US\$125 per adult, US\$65 per child under 12 years excluding 20% tax and service charge.)
