## SILVER DISCOVERER NOW WITH FREE ROUNDTRIP ECONOMY AIR

Silversea's loyal following of adventure travellers can now explore the remote archipelagos of the vast Pacific aboard the sleek, 120-guest *Silver Discoverer* cruise ship. She's the perfect platform for viewing these untamed landscapes, with all ocean-view suites and plenty of deck space so that a breaching whale or a pod of dolphins is always within sight. *Silver Discoverer's* shallow draft allows her to navigate closer to shore, and with a fleet of 12 Zodiacs, guests can land on isolated shores and explore wetlands and submerged ecosystems, up-close and in-depth. Unlike any other, a voyage with Silversea Expeditions restores your curiosity, ignites your sense of wonder, and reveals marvels witnessed by only the fortunate few. Guided and educated by exceptional marine biologists, anthropologists, ornithologists, botanists, historians, and the like, you'll explore on foot, via kayak, and Zodiac® — each experience exposing the rarest of Earth's treasures.
